Assessor Comments	A neat line of vendor bred 2020 drop Dohne ewes. Vendor is selling due to reduction in numbers. These ewes are Stirling blood & have been gudair vaccinated. Shorn on October 30th. These ewes present a good opportunity to add a decent line of sheep to an existing flock in a very buoyant lamb market. Also presents a good opportunity to out together 4 lines of the same sheep as the vendor has another 3 age groups up in the same sale.
