Assessor Comments	A good run of large frame Gum Hill ewes with Merino lambs at foot. These ewes have done it tough on minimal feed this year and have still managed to put a reasonable percentage of lambs on the ground and are in pretty good all round condition considering. Ewes and lambs will go forward shown some good feed. This property is unmulsed and is ZQ Certified and also Authentico Certified. The Ewes are a mixed age from 22 drop to 18 drop with only 7 2018 drops in the line.
