Assessor Comments	360 Maternal Composite ewes to be offered as 3 lots of 120. The Grant family have been sourcing rams from the very top end of the Chrome catalogue for over 15 years. A strong emphasis is placed on moderate mature ewe weight, PFAT, Growth.. all while being extremely particular about using a very consistent 'type' of sire. These ewes have all reared lambs every year. They have been mouthed & had udders checked.. the perspective purchaser can bid with confidence knowing that they are sourcing 'Chrome' genetics from the absolute top shelf!! ** Ewes will be reserved at \$145**
