Assessor Comments	On Offer, a pen of Charollais/Poll Dorset flock rams. Showing plenty of type and carcase of the breed. Rams have been selected and bred with a focus on ease of lambing, fast growth and high yield. Bred from a Camlea based flock with influences from Rene and Roseville Park in the past, crossed with well figured Rowallan Poll Dorset rams with an aim on LBW and high weaning weights. Rams have shown negative test results for Ovine Brucellosis for buyers confidence. These rams are gaining a reputation throughout the district and abroad for producing excellent prime lambs that tick all the boxes on the hook for the domestic and export markets. Buyers note - there are also lots of Charollais and Charollais cross rams in the same sale and more available on farm.
