Assessor Comments	Buyers, this is a nice line of well bred Ultra Black weaned steers averaging 357 kg. These steers have great muscle expression with length of body and softness. Steers show nice skin and bone with plenty of volume and capacity to fill out. They are very well bred being by Carbene Grazing Ultra black cows by well above ave Palgrove Ultra Black stud sires. Steers worked very quietly through yards. These steers are renowned for performance on grass and grain. Note odd steer has old ring worm scarring but clearing up.
