Assessor Comments	A top quality draft of antibiotic free and grass fed Angus steers. Sired buy high indexing Texas Angus bulls that are in good condition and present an outstanding opportunity for compensatory weight gain on high quality pastures A nice of high performing angus steers not to be missed for any grass fed, domestic program or long fed Angus job. Please Note: A couple of steers were noticed to have old pink eye scaring , and a few with small warts on heads, not considered detrimental or affecting them in any way.
