Assessor Comments 41 Angus Heifers - Acc SHS Civil - Tops of the drop, top quality line of well grown angus Heifers. Principally Murdeduke, Francs & Te Mania bloodlines SHS CIvil have been selecting sires for above average 400 day growth & muscle. There is a long history of performance from this herd (ST Hamilton) with both steers & heifers always having fed on well, and extremely fertile, and these i expect will be of no exception. Heifers that would be ideal to take out to finish or as the lead draft present to a bull now or in the new year. An each way bet from a herd that has performed for decades. *Heifers mustered Monday evening fed hay & weighed 8am Tues.
