Nice natured Steers that are respectful of their surrounds and the people that are handling them, a pleasure to work with a very quiet temperament.

Handled With: Bikes , On foot , Vehicles

Assessor Comments	A quality line of young steers that present in forward condition with tremendous weight for age, frame and bone. Cattle that have a wealth of breeding from a solid cow herd by high index bulls which is well reflected in the style of animal that make up this line. The steers have been marked a tad later in life but have softened beautifully and are clean underneath. Note - 1 Steer had a wart on the near side of its neck while 5 steers carried old scars on the eye which was noticeable as slight cloudy to a white dot on the eye - none of which is deemed as detrimental to the animals health.
