	All heifers were very good to handle. A few heifers stirred up slighty when caught in head bale however settled quickly when let out with the mob.		
Handled With	Dogs , On foot , Vehicles		

Assessor Comments	Buyers on offer is a nice line of 26 non-station mated future breeder Shorthorn heifers. These heifers would be ideal future breeders and are only being sold due to dry conditions otherwise would of been kept as breeders. These heifers are very nice and easy to handle with a very good temperament. Vendor does a very good job with his replacement heifers every year in terms of quality and temperament.
