	Easy cattle to handle, but when left with too much space or to much pressure put on a couple would get a little excited, the majority would block when needed.		
Handled With	Bikes , Dogs , Vehicles		

Assessor Comments	A quality line of vendor bred Yearling steers showing good weight for age & depth. Sired from Quality Bulls the majority of these steers are showing softness, thickness & frame. The majority suitable to go straight onto feed for domestic grain fed feeder operations or put in the paddock to grow out for export feeders or finish & fatten. ** Please also note that one steer was not able to be put through the crush for weighing but has been put in the mob at the average weight ** There is also three lots of the same drop Sisters in this same sale** ** There is one steer with a slightly turned inner eye lid (as per photos) and a couple with a light spotting/blemish in eye but not detrimental**
