Handled With	Easy cattle to handle, but when left with too much space or too much pressure put on a couple would get a little excited, but majority would block when needed. Bikes , Dogs , Vehicles
Assessor Comments	An easy doing vendor bred line of Angus cross females showing good frame & weight for age. Sired from Quality Bulls these heifers are showing softness, thickness & depth. These cracking heifers provide you with an opportunity to purchase for domestic grain fed operations or as replacement heifers to put straight to the bull! Either way you will be purchasing a quality line of heifers that will excel in whatever new chosen roles they are given. ** There is 2 lots of Heifer sisters & also a steer lot in the same sale** ** There is a couple with a light spotting/blemish in eye but not detrimental**
