Vendor Comments

This is a genuine line of my replacement Angus breeding heifers as no heifers have been retained in herd this year. We have selected well muscle bulls with IMF and Growth for many years.

This is a Genuine line of young replacement EU vendor bred heifers from a A-Grade herd with no heifers being retained in entire drop. These heifers show nice bred character with volume and femininity. Heifers are very soft smooth easy doing types with length and depth. Heifers are bred out of a large frame Corack Angus cows bred for fertility, growth and IMF. Heifers are by top quality Stud Ascot & Texas Angus sires. These heifers were a pleasure to draft through yards. Note 2 heifers showed old ring worm marks but clearing up, 2 heifers old blight scaring but not detrimental. 1 heifer has small white on udder. This is top quality draft if replacement breeding heifers. |                                     |      |                 |      |              |       |           |                                                                                 |                                  |                                     |   |      |           |     |  |  |  |  |
