Assessor Comments	A quality line of Brahman backgrounder steers on offer. These steers are all bred and raised on forest country and will perform well for whoever may buy them. They have got plenty of frame about them and ready to take onto the next stage. Whether it is a feeder market or a fattening market you are targeting, these steers would suit both. The temperament on these steers is very good. The vendor has pre-treated the steers and guarantees the clean for any tick free buyers.
