Steers all flowed through yards well without and issues. In the crush there were 5hd that were wanting to keep moving forward through the crush while being assessed and got slightly agitated. All Steers were very good to handle once they were in the bigger yards back in the mob.

Assessor Comments Buyers a very good line of Charolais infused Steers. These Steers are ideal to feed showing the past 8 wks they have had on an Oats crop that they are really just starting to go ahead. These Steers are very good quality showing good breed traits such as length of body, softness, shape a good muscle pattern. Please note at assessment 1 Steer was treated for an active pinkeye and will be reassessed prior to delivery.
