Assessor Comments	Buyers a line of quality bred Heifers that present in a forward store condition. Cattle are excelling in the current conditions and will continue to given the season continues. Heifers would be ideal to put away and grow onto future Breeders or domestic feeder heifers. Please note a percentage of cattle have been weaned and were running on a oats crop and the balance have been running with cows on fresh native pasture. Cattle have been weaned in yards for 7 days on hay and are now running in a native pasture holding paddock.
