Assessor Comments	Good line of quiet heifers that are out of Medium and mostly large frame Angus cows. The 43 Champain heifers are by Onslow and Scotts Angus bull from a Good medium to mainly large frame Onslow cow. The 6 younger heifers have grown out really well and handled the winter better and are actually the heaviest in the mob. Heifers are looking ready to join, in forward condition and riding each other. 3 with warts are clearing up. The 2 eyes were in the mob when purchased in April and have not been a problem. Please view the longest video as it shows the heifers quietly walking under their own steam out of the yards and down the lane back to the paddock
