Traits

4 Head Very slight blue eye

1 Head warts

Assessor Comments

Great opportunity to purchase Yammatree steers in a very tight weight range 300-370kg. Ideal to put in the paddock or put into a feeding program with proven performance from many feedlots across the Eastern states. These steers look a picture and will continue to go very well for prospective purchaser. Grass fed and antibiotic free. There is another 255 feeder steers and 178 feeder heifers also in todays sale.
