| Assessor Comments      | A great opportunity to purchase quality Angus steers from the renowned Daniel herd. The Daniel family have used Rennyalea Angus blood for the past 20 years. These steers are well known for their performance and growth and are repeatedly sought after by all major feedlots in NSW. Provided with the right opportunity these well grown steers will excel for the successful purchaser. These steers are eligible for grass-fed programs as they are pasture reared and anti-biotic free. NB: 5 steers noted with blue eye/Pink eye slight scaring. |
