Slightly Stirry: 7 head

Paddock

Well educated young heifers that were good to handle. All led up the race sensibly and most stood quietly. Stepped on the scales without hassle and most exited at a walk. Led out in to the paddock for photographing. A few girls with a slightly bigger flight zone that were more anxious in closer proximity to the handler in the yards and/or crush. Listed above as slightly stirry. We're a bit anxious about being on foot in the holding paddock for photos, just lacking confidence & needing more of it

## Assessor Comments

Nice line of EU accredited Rennylea/Dunoon Angus blood Heifers. Healthy young females in strong store condition and well on the do. These are an ideal lot of 1 mark, young females to breed, feed or background. Heifers with plenty of length, and stand up with stacks of bone, out of a herd of large framed females, by high growth bulls from Rennylea & Dunoon Angus studs. Cattle have been very well handled and were a pleasure to share the yard with. Healthy young females that will make excellent Supermarket bodies. Buyers please Note. Vendor also has the heavier sisters in the same sale (Have been running on a different farm with fresher pastures)
