Well educated young steers that were an absolute pleasure to handle. All led up the race sensibly and stood quietly. Stepped on the scales without hassle and most exited at a walk. Led out in to the paddock quietly for photographing. A few steers with a slightly bigger flight zone that were more anxious in closer proximity to the handler in the yards and/or crush. Listed above as slightly stirry.

Assessor Comments

Nice line of EU accredited Rennylea/Dunoon Angus blood Steers. Healthy young steers in strong store condition and well on the do. These are an ideal lot of 1 mark, baby bullocks to do a back grounding job with, or start straight on a feed ration now. Steers have plenty of length, and stand up with stacks of bone, out of a herd of large framed females, by high growth bulls from Rennylea & Dunoon Angus studs. Cattle have been very well handled and were a pleasure to share the yard with. Fresh steers that will make high yielding export bodies. Buyers please Note. Vendor also has a small lot of the lighter brothers in same sale. Please see photos & videos.
