Assessor Comments	Buyers an excellent opportunity presents itself to purchase a GOOD QUALITY two deck line of 62 EU ACCREDITED vendor bred Angus and Hereford infused females. The Nixon family is a name synonymous in the Hereford breed and recently have been purchasing top end Angus bulls to add to their program. This group of heifers show all signs to make top quality replacement breeders, showing femininity and sound conformation and are ready to be joined to the bull of your choice. Presented in store condition and currently gaining weight after recent rainfall, heifers would also be ideal to feed for domestic markets having been drafted 340kg – 440kg curfewed. The heaviest 8 heifers were mouthed solid milk tooth. Please see photos and videos for further satisfaction. *Vendor also selling a deck lot of lighter heifers in same sale*.
