Assessor Comments	A nice line of 40 very well bred Angus Heifers 12-13mths old. Heifers are showing all the hallmarks to be fantastic future breeders given the chance. Heifers presenting in a very neat forward store condition ready too join or put the finishing touches on. Bongongo Angus bloodlines with a a nice length of body, depth and would slot straight into a breeding program or alternatively would be a quick finish on a crop!
