Assessor Comments	90 NSM Angus Heifers. A very nice even line of vendor bred heifers bred out of The Falls herd these heifers are predominately Kennys Creek Angus blood with a small infusion of Dalwhinnie lately. Heifers are showing good growth for their age, with a nice deal of depth and length to them. Heifers would suit as breeders going forward and are ready for the bull on your choice or would make very good feeder heifers and would grow into neat heavy trade bodies. Heifers not to be overlooked!!
