Assessor Comments	Good quality line of Angus heifers showing good growth and bone for age and are quite and easy to handle. Vendor has an AI program running and these heifers are either sired by Alpine 38 Special or by Woonooka bulls. The three year AI program focuses on calving ease, 400 day figures and medium cow weights. This lot represents 50% of total heifer drop. Ideal heifers to take on and join or to do a trade. One heifer is showing white on the underside.
