Quiet: 7 head	Slightly Stirry: 1 head	

These heifers are very easy to handle, moving calmy through the yardsand settling quickly after release from the crush. Their sire was chosen for his strong maternal traits, and they exhibit good weight and growth for their age.

Handled With: Dogs

Assessor Comments	These heifers are sired by the Ayr Quartz bull and out of registered Ondiong stud cows. While the heifers themselves are not currently registered, a full breeding history is available. 6 out of the 8 heifers can be registered at the purchaser's expense if they desire. Their sire was the top-selling bull at the 2021 Ayr Park Bull Sale, chosen for his strong maternal traits, and solid EBV figures. All dams are Ondiong stud cows, individual dam figures are available upon request. These heifers offer the potential for stud registration at the buyer's cost. NB; The cattle are born & bred on the coast & are Theileria safe.
