| Assessor Comments                     | A small line of quality vendor bred Angus Llandarlo blood heifers 372kg average at assessment. These heifers present in fresh forward condition and with good frame and bone they would be ideal to take home and join to a bull of choice or put into any feeder program. (Please note vendor has another lot in this sale)                                                                 |                                                                            |  |
