Assessor Comments	A quality line of Hicks composite x Hicks Composite hereford heifers. These heifers come from a highly regarded herd and are proven performers with great feedback from previous buyers. The vendors have been using Hicks Composite bulls for more than 12 years and select bulls on docility, high weaning weights and calving ease. Previous consignments from the vendors have top the auctions plus sales. These heifers are an ideal line to either join for future breeders or finish for the domestic or export markets. ***Buyers please note: 18 hour curfew on these heifers prior to weighing.***
