Assessor Comments	83 outstanding quality beautifully bred "Okeview" heifers. These heifers were all weighed 400 kg plus and are not over done with condition giving purchaser plenty of scope to put weight on quickly they will suit either a feedlot or go back to the paddock to join to the bull of your choice and in my opinion are some of the best Hereford cattle you will buy. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past. There is another 164 lighter heifers in todays sale.
