	Very well mannered young weaners that handled well and were respectful of the handler and their surrounds a pleasure to work					
Handled With	Bikes , On foot , Vehicles					
Assessor Comments	A line of quality young weaner heifers that are very well bred and true to type, moderate frame with depth and bone with adequate maturity for age. These heifers represent the lighter heifers of the vendors complete drop of 960 heifers that were weighed at assessment in a 200-220 kg weight range. This line will be a group of 120 that will be a run out of the gate from a line of 200 heifers within the weight range. Reluctant early sale that is only offered due to seasonal conditions as heifers are traditionally held and matured by the vendor until classing in the Autumn. Note : The line of 200 Heifers included - 2 Heifers with old ringworm scars, 11 Heifers with a white belly and 24 Heifers with white udders.
