Assessor Comments	Buyers, two decks of fully weaned Santa and Santa infused steers that present in good condition ready to go out and exceed in the paddock. Steers have had a full weaning program earlier in the year and are expected to respond very quickly given the opportunity. Steers were exceptionally good to handle at assessment and worked through the yards very easily. The WIPPELL pastoral herd is based on leading ROSEVALE Santa Gertrudis for many generations with no expense spared on sire purchases. Please note 2 steers at assessment with small blue eye scarring in one eye. Steers are GRASSLANDS eligible. Buyers, a neat 2 decks of top quality steers with leading genetics worth your consideration.
