Assessor Comments	Buyers, This is a great line of soft weaned No 4 Black steers that ave 302 kg. Steers show tremendous muscle expression with length of body. These steers show nice spring of rib with volume to fill out. They are very even in type and weight. Steers are out of medium to large frame Ularunda cross bred cows by good quality Angus & Black Simmental sires. These steers were very quiet to handle through yards. These steers have a very good reputation for performance on grass & grain. Vendor has other line in same sale.
