Assessor Comments	A rare opportunity to purchase some of this vendors usual F1 Brangus replacement heifers. The vendor would generally keep these heifers to put back in his breeding herd, but due to numbers being at maximum it's been decided to turn off. Heifers are out of straight grey brahman cows by KX5 Angus Stud Bulls and mostly all polled heifers with a great temperament. Would be ideal future breeders for someone or would suit anyone backgrounding for a coles, woolies or 100 day feedlot job. All up to date with vaccinations and have been 3 Germ Blooded as well. The vendor will guarantee clearance for these heifers, but the clearing cost is on the buyer.
