Temperament not assessed in Paddock

Steers were like pets to handle, easy to work and draft, would suit all skill levels in handling.

Handled With	Bikes , On foot , Vehicles		
Notable Traits	Traits 3 Head Warts		
Assessor Comments	Very well bred steers with plenty of frame to hang some more kgs one, will turn into good trade or export kill cattle before you know it. Very quiet cattle that were a pleasure to handle and would suit a small operator who wanted a handful of quiet steers to fatten. The steers are very well bred and out of ex stud cows but both AI and natural sires.
