| Assessor Comments             | An excellent line of surplus heifers from RTWalker and Co. Sires are carefully selected from Twynam Angus. Predominately Ai sires that are moderate for birth, high for 400+ 600 day growth and have sound confirmation. RTWalker and Co cattle are highly sort after by all feedlots in NSW. The purchaser has the opportunity to join or feed. By with confidence. Heifers were not joined. |
