	Quality Grades Very Good40% Good60%		
Temperament	Yards Quiet: 34 head	Crush Quiet: 34 head	Paddock Temperament not assessed in Paddock
Handled With	Cattle were very good to handle at assessment. Bikes , Vehicles		
Assessor Comments	Very well bred line of April/May drop weaned heifers. Heifers are showing good signs of growth and conformation and have some very good genetics bred into them. This represents the complete drop with a small tail removed from the group. Offered for genuine sale to make way for the vendors spring calving cows in a tightening season. Noted two heifers with old very slight eye scarring.
