Assessor Comments	An excellent line of Angus steers. These steers show good frame and type and are ready to perform. Livingstone Pastoral have been purchasing high quality bulls from Reiland Angus for over 20 years with a focus on growth rates and carcass data. These steers have been purchased by feedlots in both NSW & QLD in the past with positive feedback. A tail has been removed at assessment with all steers weighed out 340kg plus with 74% of the steers weighing between 360-440kg.
