Assessor Comments	Snowy Mt Stock & Co offer 32 Rennylea, Table Top & Dunoon Angus blood steers 13-14 mths old, always maintaining a hard focus on improving the general performance of the herd, and selecting sire's that strengthen carcass figures based on feedback reports, but always keeping growth at the forefront of that focus. These steers have been well looked after & will grow out to be high yielding finished bodies, with the added bonus of Never Ever accreditation, making them the ideal article to continue on pasture or a crop.
