Assessor Comments	A/c Macsway P/L (Formally WN Mc Donald & Sons) offer 18 outstanding quality Angus heifers 7-9 months sired by top quality Jade Park Angus bulls. These heifers are the 2nd draft out of 82 offered in this sale & would normally be held for the North East Victoria feature January weaner sales where they have previously won best presented pens, 2 years in a row. I would describe these heifers as excellent quality future breeders presenting in forward store condition, with a weight range at assessment of 201kg - 246kg to avg 219kg curfewed. Note same vendor offers one more lot of heifers & three more lots of steers in the same sale totaling 222 head on offer in this sale. Please also note the strict delivery day of Tuesday 3rd December.
