Assessor Comments	A/c Cameron & Tracey Healy of Osbornes Flat offer their annual draft of their weaners for the first time on AuctionsPlus. These weaners are traditionally sold in the local feature weaner sales in January and continuously top the sales. These weaners are of exceptional quality, bred out of large frame Mawarra blood cows by a Jade Park Angus bull. They have a weight range of 260 to 371 kg and average 300 kg curfewed. These heifers are Vendor Bred, Grass Fed and would compliment any operation with proven performance and continued repeat buyers. Please note no heifers have been retained and these heifers are the tops of the drop !!
