Assessor Comments	35 pregnancy tested empty Watervalley Black Angus heifers to average 304.2kg Curfewed. They are an even line that handle well, showing soft angus characteristics being in fresh forward store condition with good medium frames that are gaining weight quickly now coming off a dry start to season A vey small portion of this line show a birthmark or a white belly. See video Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases.
