Some of these steers became agitated when pressure was applied but settled when back with the mob. They needed to be

	steadied when being pushed through gateways.
Handled With	Bikes , Dogs
Assessor Comments	A good quality line of Brangus steers that have plenty of weight gain opportunities. These steers have had all the hard work done & are ready to perform for the purchaser. They are ideal steers to grow out for the heavy feeder or bullock markets. Buyers please note some of these steers show signs of old ring worm marks. They were treated with Iverlab pour-on at assessment.
