Assessor Comments	Buyers here presents an opportunity to purchase an outstanding line of EU Breeder quality Angus Heifers. The Barramornie Beef cattle have built an outstanding reputation on their quality and overall performance with buyers consistently impressed with performance. Plenty of time, effort and money has gone into the breeding of this herd. Top quality Angus genetics are sourced from Glenoch, Rennyalea, Clunie Range & Hazeldean Angus Studs with no expense spared. These heifers display all the required feminine traits to grow out to be an outstanding line of breeders for years to come. They would also be ideal to go straight on feed suiting all Angus grainfed markets. The Campbell Family receive feedback from feedlots with the cattle consistently performing well above average. Please note there is also another line of 64 lighter heifers in the same sale. Great run of cattle not to be missed.
