Assessor Comments Buyers a good opportunity to put together a line of good Angus Heifers. These Heifers show good weight for age and would suit as Future breeders or a backgrounder to take through to heavier weights to suit an Grassfed or Angus MSA market. These look to be good soft easy doing types and would be a great article. Please note out of total assessed (215) there were 5 Heifers with active eyes which were treated at assessment. These Heifers will be offered as a run out the gate with 1 lot of 92hd and 1 lot of 123hd. Please note same vendor has also a further 81 British X Heifers and 86 British/Euro X Steers available at the same property in the same sale.
