Assessor Comments	A small but very good quality line of of backgrounding steers, just shy of entry weights to the feedlot these steers offer a quick trade if needed or take right through to the heavier end of the feeder grid. Cattle would also suit a grass fed program, steers are showing a lot of thickness and are good heavy boned cattle with plenty of length. Steers are well bred from herd

of large frame cows and were sired by A.I Sons of Ardrossan Casino. Steers usually go direct to local feedlots where the Angus premium criteria is met every time, don't miss out on this opportunity to secure this line of Quality steers.
