Assessor Comments	An outstanding line of unweaned Hereford and Hereford Cross Calves. Long, deep and soft weaners, vendor has been

	breeding Hereford and Hereford cross cattle for over 40 years however these are the last Herefords they will offer for sale. These cattle are renowned doing cattle, calves are vendor bred and can be grass fed and antibiotic free eligible. Great calves to continue on to hit heavy export or domestic kill or feeder markets. Please note, calves will be weaned onto truck at delivery. Two calves sighted to have weeping eyes but no obvious signs of pink eye was seen. One Steer also cut a little late but do believe he will grow out of it.
