	The steers were very quiet to handle both in the yards and crush. A pleasure to move through the yards to film, photo and draft. A credit to the vendor.

Assessor Comments	A quiet run of EU and grassfed accredited Angus steers. These steers were a pleasure to assess both in the yards and crush. They are well grown and would grow out to excellent bullocks or grow out to heavier feeders weights. Their weights - 376 - 465 kg full, to Ave - 416kg full at assessment. NOTE A small % of steers have the odd wart on their head and neck. Vendor has another lot of EU Angus heifers in this sale.
