Assessor Comments Here is a opportunity to purchase a line of well bred, well weaned steers that are in ideal condition to put out for either the heavy feeder market or grow out into heavy grass or grain steers. No expense spared when it comes to breeding and the bone and type shows. These steers are as good to handle as you can get and would make ideal front paddock steers. ProStock will offer multiple lots form the area of similar cattle give the opportunity to fill truck of well bred, vendor bred weaners. If a purchaser buys multiple cattle can be delivered to the Mt Compass saleyards at the vendors expense.
