Handled With: Bikes , On foot , Vehicles

Assessor Comments: This line of steers have preformed well in the season we've had that proves their doing ability. The steers will remain with their mothers until delivery however most of the cows seem to have dried them off. The brothers of these steers have preformed well in all types of environments in other years and would expect these to preform well given the opportunity. ProStock has multiple lots in the area in the same sale of similar cattle.

Assessor: **Clint Endersby (Level 1 Accredited)**

Delivery Period: 09/12/2024 to 13/12/2024 (5 days)
