Excellent quality steers that handled extremely well in the yards and throughout the assessment.

Assessor Comments	A quality line of Shorthorn Steers. The steers are very quiet to handle, showing plenty of muscle, frame, stretch and quality with leading genetics used from Turanville shorthorns. Steers are very healthy-looking and gaining weight quickly after being early weaned in February. Would be ideal steers to background to heavier feeder weights or could be finished for the Heavy Grass markets. Note - Vendor has 3 lots in this sale. No Grain & No Antibiotics.
