Handled With

Excellent quality steers that handled extremely well in the yards and throughout the assessment.

Bikes , Dogs , On foot , Vehicles

Assessor Comments

A quality line of Black Baldy Steers. The steers are very quiet to handle, showing plenty of muscle, frame and quality with

leading genetics used from Bongongo Angus Stud. Steers are very healthy-looking and gaining weight quickly after being early weaned in February. Would be ideal steers to background to heavier feeder weights or finish for high end Grass markets. Note - Vendor has 3 lots in this sale. No Grain & No Antibiotics.
